WELCOME TO JACKPOTRUSH

JackpotRush.io is an online social gaming and promotional Sweepstakes platform operated by Linaq LLC.

Our goal is to provide eligible adult Users with an entertaining online gaming experience while maintaining clear Sweepstakes rules, free methods of participation, responsible-gaming options, security controls, and transparent Prize-redemption procedures.

JackpotRush is designed around two distinct ways to enjoy participating games: entertainment gameplay using Gold Coins and promotional Sweepstakes gameplay using Sweepstakes Coins.

1. GOLD COINS

Gold Coins (“GC”) are virtual entertainment credits used to enjoy eligible games on JackpotRush.

GC:

- are intended for entertainment gameplay;
- have no cash value;
- are not legal tender;
- cannot be redeemed for cash; and
- cannot be redeemed for Prizes.

Users may obtain GC through eligible Gold Coin packages and through promotions that JackpotRush may make available from time to time.

2. SWEEPSTAKES COINS

Sweepstakes Coins (“SC”) are free promotional play credits that may be used to participate in eligible Sweepstakes gameplay.

SC:

- are not sold separately;
- are not cash;
- are not legal tender;
- do not themselves constitute a Prize; and
- cannot themselves be redeemed for cash or Prizes.

Eligible Users may obtain SC through promotional methods, including a free Alternative Method of Entry (“AMOE”).

No purchase or payment is necessary to obtain an eligible Sweepstakes participation opportunity, participate, or win. A purchase does not increase a Participant's chances of winning.

3. REDEEMABLE CREDITS

Redeemable Credits (“RC”) are separate from both GC and SC.

Eligible winning outcomes resulting from qualifying SC gameplay, after applicable requirements have been satisfied, may produce separately recorded RC.

Eligible RC may then be submitted for Prize redemption, subject to applicable eligibility, verification, redemption limits, and other requirements.

For clarity:

GC → Entertainment gameplay only → Not redeemable

SC → Free promotional Sweepstakes gameplay → SC themselves are not redeemable

Eligible winning SC gameplay → May produce RC

Eligible RC → May be submitted for Prize redemption

This distinction directly addresses BCA's request that the About Us page clearly explain the transition from promotional SC gameplay to separately recorded RC.

4. NO PURCHASE NECESSARY

JackpotRush provides an eligible free method of Sweepstakes participation.

**NO PURCHASE OR PAYMENT IS NECESSARY TO ENTER, PARTICIPATE, OR WIN.
A PURCHASE WILL NOT INCREASE YOUR CHANCES OF WINNING.**

Eligible Participants may obtain promotional SC without making a purchase through JackpotRush's free postal AMOE.

5. FREE ALTERNATIVE METHOD OF ENTRY

JackpotRush provides a free postal Alternative Method of Entry ("AMOE") through which eligible Participants may request promotional SC without making a purchase.

Each valid AMOE request provides:

3 Sweepstakes Coins (3 SC).

The applicable AMOE eligibility, mailing, validation, and processing requirements are provided with JackpotRush's Sweepstakes rules.

SC obtained through the free AMOE provide the same Sweepstakes opportunity as an equivalent amount of eligible SC obtained through another promotional method.

6. FAIR SWEEPSTAKES PARTICIPATION

JackpotRush is committed to administering its Sweepstakes promotions according to their published requirements.

A purchase does not provide better odds than an equivalent amount of eligible SC obtained through a free promotional method.

Eligible Participants using the free AMOE are not required to make a purchase as a condition of receiving valid AMOE SC.

7. PRIZE REDEMPTION

Eligible winning outcomes from qualifying SC gameplay may result in RC.

Only eligible RC may be submitted for Prize redemption.

Prize-redemption requests may be subject to requirements including:

- minimum redemption requirements;
- applicable Player Tier redemption maximums;
- identity and age verification;
- geographic eligibility;
- Account verification;
- fraud and security review;
- payment verification;
- tax requirements; and
- other applicable compliance requirements.

Submitting a redemption request does not itself guarantee approval.

8. RESPONSIBLE GAMING

JackpotRush is intended for entertainment.

We encourage Users to:

- establish reasonable spending limits;
- establish reasonable time limits;
- avoid chasing losses;
- avoid using money needed for essential expenses;
- take breaks when appropriate; and
- seek assistance if gaming stops being enjoyable or becomes difficult to control.

JackpotRush provides responsible-gaming options including purchase limits, Cooling-Off periods, Self-Exclusion, and permanent Account closure.

9. SAFETY AND SECURITY

Depending on the activity involved, JackpotRush may use:

- identity and age verification;
